## Our Facilities

Pickering Horse Centre, owned and operated by the Yaghdjian family is a full service Hunter/Jumper equestrian facility located on 26 acres just outside the city of Pickering in the scenic hamlet of Greenwood.

Our facilities include six large outdoor riding rings, stabling for 109 horses, a heated indoor arena as well as a brand new large 90x240 indoor arena/lounge.

All rings are harrowed and watered regularly and the outdoor rings have full hunter and jumper courses set up throughout the show season to assist our riders with their training.

Individual turn-out paddocks are available for all boarded horses.

## Our Program

Lessons at Pickering Horse Center are taught by Equestrian Canada certified coaches.

Our training program is personalized to suit each horse and riders individual goals. We offer additional clinics, off property schoolings, and other opportunities for our boarders to improve their skills. PHC is also host to 17 horse shows yearly, in several disciplines.

Our core training program is focused on competing on the Silver level Trillium Hunter Jumper Association circuit, on the Central East Zone. We also offer competing at the Gold Level (A Circuit)
