Equestrian Canada Statement of Principle

EQUESTRIAN CANADA, the National Federation of Canada, supports adherence to humane treatment of horses in all competitions under its jurisdiction.

EQUESTRIAN CANADA is committed to:

Upholding the welfare of horses, regardless of value, is a primary consideration in all activities.

Requiring that horses be treated with kindness, respect, and the compassion that they deserve, and that they never be subjected to mistreatment.

Ensuring that owner, trainer, exhibitors and their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose.

Providing for the continuous wellbeing of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, sanitation and safety as a matter of standard operating procedure.

Continuing to support scientific studies on equine health and welfare.

Increasing education in training and horsemanship practices.

Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules and to work within industry regulations in all equestrian competitions.

Reviewing, revising and developing competition rules and regulations that protect the welfare of horses. The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive nor inhumane.

All participants at the PHC Skills Development shows are expected to abide by this statement of Principle.

All horses attending Equestrian Canada sanctioned competitions must have met the requirements of Article A519, Vaccinations. See Rules of Equestrian Canada, Section A, General Regulations, Article A519, Vaccinations.

EC and the PTSOs share a vision to see every equestrian coach and instructor licensed and certified by 2025. To meet this goal, formal requirements to hold a valid Coach Licence to coach at competitions will be phased in as follows:

- In 2021, it will be recommended that coaches be licensed at all EC sanctioned competitions.
- In 2022, coaches will need to have a Registered Coach Status at all EC sanctioned competitions.
- In 2023, coaches will need to have a Registered Coach Status at all EC Silver & Bronze sanctioned competitions. Coaches will need to have a Licensed Coach Status at all EC Platinum & Gold sanctioned competitions.
- In 2024, coaches will need to have a Licensed Coach Status at all EC sanctioned competitions.
- In 2025, coaches will need to have a Licensed Coach Status and Certification at all EC sanctioned competitions.
